2. You may have to go back to the WI-FI connection screen and reselect BYOD
3. If you continue to experience errors, contact the St. Mary support desk at support@stmaryhc.org

BYOD PERMISSION FORM

(One sheet per device per each participating student)

Any parent who wishes their child to use a personally owned electronic device at St. Mary Parish School must read the "Acceptable Use Policy for the Use of Computers and Telecommunications" document, sign this BYOD Permission Form and agree to follow any additional guidelines implemented by the classroom teacher.

My child, _____, and I have read the "Acceptable Use Policy for the Use of Computers and Telecommunications" (AUP) document located on the School Website and agree to all items listed within this document.

We understand:

1. The student takes full responsibility for his or her device and keeps it with himself or herself, or secured in their locker, at all times. The school is not responsible for the security of the device.
2. The student is responsible for the proper care of their personal device, including any costs of repair, replacement or any modifications needed to use the device at school.
3. The school reserves the right to inspect a student's personal device if there is reason to believe that the student has violated School policies, administrative procedures, school rules or has engaged in other misconduct while using their personal device.

Any violations of School policies, administrative procedures, classroom rules or school rules involving my child's personally owned device will result in consequences as outlined in the AUP referenced above.
