

The 19th Annual Future City Competition was held at MSOE's [Kern Center](#) on Saturday, January 21. Forty-two teams competed for the regional title and an all-expenses paid trip to the National Future City Competition Finals, February 17-22, 2012. Students fueled their future cities with environmentally friendly solutions such as piezoelectricity and geothermal energy.

Four teams made it to the finals: *Natura Provisi* from St. Alphonsus, *Solis-Nixus* from Tippecanoe, *Hyperion* from St. Mary's Hales Corners, and *Geodynam* from Waukesha STEM Academy.

**Team *Hyperion*: Caroline Mohr, Thomas Chelius, Emily Chmielewski and Mentor Bob Chmielewski won first place and will advance to the National Competition in Crystal City, Virginia where they will compete for the grand prize of an all-expenses paid trip to Space Camp in Huntsville, Alabama. We wish them the best of luck and hope they bring home a first place trophy!**

Two other teams from St. Mary's also participated in this year's competition; **Terra Futurum**: Harrison Bartolomei, George Bacalzo, and Austin Uhlig; **New Rome**: Ben Hermann, Matthew Paprocki, and Joseph Foye. All of the teams did a wonderful job and made St. Mary's very proud!

Dear St. Mary School Families,

Today you will receive the new St. Mary Parish / School Endowment Fund brochure. Most of you are aware of the importance of this fund to our St. Mary Community and we are thankful for all of your contributions (monetary, volunteering, Royal Affair, etc.). For those of you new to St. Mary's this fund is a long-term savings plan and each year a distribution pays a portion of parish operating expenses, which allows our educational programs to remain strong. We encourage all of you to review the brochure to learn how you can help ensure the legacy continues.

Thank you from the St. Mary Parish / School Endowment Fund Committee.

**Yearbook order forms  
are now available.**

Pre-sale only.

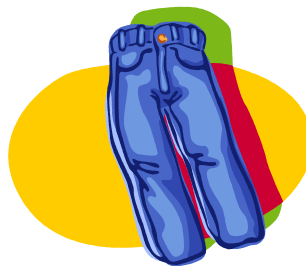

Extras are not available at the end of the year.

**DEADLINE: February 15**

Thank you to everyone who purchased jeans day passes.

The 8th grade class appreciates your support.

You will have one more opportunity to participate in late March, good through the end of the school year.

In honor of Valentine's Day, St. Mary is offering a special Holy Hour of Eucharistic Adoration on Monday, February 13<sup>th</sup>, from 7:00-8:00, with a focus on those who are married and/or preparing for marriage. Join Fr. Matthew for a time of guided prayer in the presence of the Eucharist, which is placed in a monstrance for all to see. As we pray, we are reminded that Jesus is the glue that binds our relationships together. Let us come together to ask Christ to continue to breath love and life into our relationships. After our Holy Hour, you're invited to stay for light refreshments in the Gathering Space.

We love because God first loved us.
