

Update!

There are still niches available in Phase One at discounted prices. Niches are also now available in Phase Two. Our current pricing will remain in place for the remainder of 2016. In 2017, a new pricing schedule will be implemented to reflect the increased cost of materials and to set niche prices at levels comparable to other area Catholic cemeteries.

Thanks to our faith community for your generous support!

Select The Columbarium At St. Mary Parish.

Choose your final resting place in Phase One of The Columbarium (pictured above) or in the recently introduced Phase Two. The look of the cemetery has been enhanced with maintenance free landscaping. Niches are available to St. Mary parishioners, family & friends.
