

Dear Parents of St. Mary Alumni,

Calling all Alumni..... We are excited to announce our new program for staying connected to our alumni and would appreciate your help.

It is important for St. Mary Parish School to stay connected to our alumni. Whether it is a friendly email, organizing an event, or stopping by to talk to teachers and share memories, we love to hear from our alumni. Our students are testimony to the value of Catholic education, especially in today's challenging world. In order to stay connected, we need to have updated information about each of our alumni.

Please help us to maintain and grow our alumni information by updating the Alumni Database using the following URL: <https://tinyurl.com/SMHCAumni> **OR** sending the attached Alumni Database Update Form to the St. Mary Parish School Office address noted below. We would also appreciate help locating alumni whose present whereabouts are unknown. Please encourage other alumni to provide us with current contact information.

The information provided will be kept confidential to St. Mary Parish School and used for the sole purpose of communicating with our alumni. Information will not be published online or provided to other organizations.

Thank you, in advance, for your help.

Maria Schram, Principal

St. Mary Parish School
Attn: Alumni Coordinator
